

Response Form: Session Two

Using an Internet Browser for Genealogy

Please list, in detail, the one teaching point of this session that left you the most confused:

Please list the one question regarding the use of an Internet browser to complete genealogical research that you feel was left UNASKED and still requires a response:

If you prefer an emailed response to this form, please print an active email address for yourself:

Please give this sheet to any LSCGG member present at the end of this session. Thank you
